**Get Informed!**

Would you like to know what's happening in your community? Do you have any questions or concerns you would like to discuss with a member of our staff? Want to get to know some of your fellow residents? If you answered "yes" to any of these questions, then you are invited to attend our monthly **Resident Council Meetings!** These 30-45 minute meetings include hearing from our Property Manager and Executive Director. Residents receive first hand information regarding SHA news. Most meetings also feature special speakers from different agencies within our area. Resident Council Chairwoman, Shantae Gillespie believes these meetings keep residents informed about what's happening now in their communities. She also considers it a great way to get the scoop on future plans. Ms. Gillespie encourages all residents to attend these friendly and relaxed meetings. They occur on the second Tuesday of each month at 1:00pm. The meetings are held in the Training Room at the SHA. Great refreshments are always provided.

**So whether you are looking to get informed... to get fed... or to just get out of the house...  
Come join us!**

**We would love to see you at our next meeting on Tuesday, January 9th!**
